ENGLISH

Tailors, what if new work came to you? 📱

On SeamFlow, clients post what they want made: a photo, the garment, a budget and a date. You'll find their requests on your **Requests** board.

See one you'd love to make? Send an offer: a short message about how you'd make it, with a price if you want. No price? It shows as "open to discuss."

And you don't need a big portfolio to win one. A good reply is enough. ✂️

FRIDAY

Wedding season. Zero chaos. (both)

Image: 15-fri-wedding-season.png

ENGLISH

Wedding season is here 💍 and so are the sticky notes.

"Bridesmaid 4, waist?" "6 yards or 8?" "Call the groom's brother back!"

✂️ **Tailors:** put the whole party in one group order: every member, their measurements and their status, with the shared fabric and one due date.

👗 **Clients:** send your measurements straight to your tailor in the chat, and follow the order without calling.

One wedding. One place. Zero chaos.

🇳🇬 Coming soon to Cameroon. Tag the friend planning a wedding this season.

FRANÇAIS

La saison des mariages est là 💍 et les pense-bêtes aussi.

« Demoiselle 4, tour de taille ? » « 6 yards ou 8 ? » « Rappeler le frère du marié ! »

✂️ **Tailleurs :** réunissez tout le cortège dans une seule commande groupée : chaque membre, ses mesures et son statut, avec le tissu commun et une seule date de livraison.

👗 **Clients :** envoyez vos mesures directement à votre tailleur dans la conversation, et suivez la commande sans appeler.

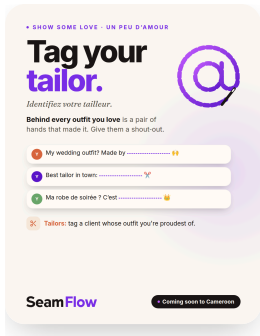

Un mariage. Un seul endroit. Zéro désordre.

🇳🇬 Bientôt au Cameroun. Identifiez l'ami(e) qui prépare un mariage cette saison.
